 - **Announcement:** Rankin Run
Spring is here and that means Rankin Run! Rankin Cancer Run is a volunteer-run event that raises funds to support cancer-care programs and organizations across the Niagara Region. Since this year's event is once again virtual, Saint Francis will be hosting our own Rankin Run during Catholic Education Week in May. To help plan for the event, we are looking to form a committee of students who will meet in April to organize the Run. Any interested students are asked to attend a meeting on Wednesday, April 3 afterschool in the conference room in Student Services. Committee members will receive community service hours for planning the event. See Mrs. Labrovic for more information.
