

Saint Francis Secondary School Fundraiser (2024)

Dear Parents/Guardians:

Back by popular demand, Saint Francis will be running its Meat and Seafood school fundraiser. We will be selling meat and seafood orders from Macgregors Meat & Seafood to help with your Spring BBQ season. The money raised will go to support all co-curricular activities at the school.

When selling Meat and Seafood orders please follow these 3 easy steps:

1. Large White Sheet

Complete the order form on the long white paper. You can offer this great product to family, friends and neighbours, just be sure to keep track of who you sell it to. This form **does not** come back to the school, this is for your tracking and delivery purposes.

2. Purple Sheet

When finished selling please complete the Summary Order Form (**purple sheet**). Then go to school cash online and pay for your products. This must be completed by **Thursday May 9th** by 1:00pm to be eligible for any class prizes.

3. Delivery

Pick up your product. Delivery will be **Wednesday May 22nd, at 5:30pm**, at Saint Francis. You must be able to pick up your order that night as all products are frozen and need to remain frozen.

Sincerely,

The Phoenix Fundraising Committee

**SAINT FRANCIS 2024 Macgregors Meat & Seafood
